**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

For faster and cheaper internet and phone service, I have chosen Sonic over Comcast. The results have been wonderful! This is exactly how capitalism is supposed to work. Moreover, it is a pleasure to deal with a locally situated company, pioneering in a new field (fiber optic cable).

Please take no action discouraging such classical competition in an industry that is threatened with near-monopoly!

Thank you.
